Dear Sir:

**Introduction**

This paper is submitted in response to the Office Action mailed April 9, 2004, in which restriction between claims 1-15 and 18-24 (Group I) and claims 16 and 17 (Group II) was required. In addition, election of a single disclosed species was required; claims 1-10 and 13-24 were deemed generic.

Upon review of the file, it was noted that the initialed Form PTO-1449 filed with the Disclosure Statement dated October 14, 2003 has not been received. It is requested that the Examiner initial the Form PTO-1449, a copy of which is enclosed for the Examiner's convenience, and return it to the undersigned attorney.

**Election**

Applicants elect Group I for immediate prosecution. This election is made without traverse. Applicants elect Species B as illustrated in Figure 3B if no generic claim is deemed patentable. The requirement for election of species is traversed.
